No Further Action

Report received that car 46 ran wide and re-joined unsafely into a pack of cars. Driver of car 46 was interviewed in presence of the signed on parent and front & rear camera footage was reviewed from car 46.

The footage shows car 46 running wide, lifting off the throttle and regaining control of the car before joining alongside another car which was in the process of overtaking car 46.

Based on the evidence available, I do not believe that car 46 re-joined the circuit unsafely and therefore take no further action.

Driver verbally informed of decision at 17:50hrs.

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with NCR Ch.5 App.5a Art.2.3
