Report of contact between between cars 23 and 119 at Post 8.

Both drivers interviewed.

Only car 23 could provide footage which was viewed.

Car 23 exits Old Paddock corner and runs out towards driver left. Car 119 has a better exit from the corner and starts to overtake drivers right.

Car 23 then moves across to drivers right, having not seen 119.

Contact is made but both continue.

It is not clear from the available footage which car is largely responsible for the contact.

Car 23 could have been more observant and perhaps car 119 could have seen the gap closing and backed off.

No further action

You are reminded of your right of appeal. Any penalties applied will be recorded by Motorsport UK in accordance with NCR Ch.5a App.5 Art.2.3
