Brief Details:

Driver of car 73 (Euan Lince)reported that the driver of car 48 (Neil Dudman) " grabbed me by the collar and started shouting at me " after the end of race 1 due to an incident of contact between the two cars during the race . (note this incident was not reported in the race) A written statement was taken from the driver of car 73 and is attached . This incident was witnessed by the driver of car 119 Jamie Upchurch who also made a written statement Mr Upchurch is not related or connected to Mr Lince . Neil Dudman was interviewed by the writer . He considered the contact unnecessary and admitted to being very angry about it . After the race he got out of the car removed his helmet and then approaching Mr Lince and saying " you are a Fxxxing menace and need to learn " He further admitted to leaning towards Mr Lince and placing his hand on his shoulder whilst saying this . He does not remember grabbing Mr Lince . Lince did reply but he cant remember the reply . Mr Dudman then started to walk away and he does recall a person unknown shouting " its not worth it . Mr Dudman admitted being variously " livid , and angry " but denied being aggressive .
