Following investigations, I find that you are guilty of contravening the following Motorsport UK NCR(s)

Ch.6 App.1 Art.2.4 (P) - Competitors and their service / pit assistants must at all times obey the instructions of an authorised Official of the Event

Brief Details:

A witnessed report was received from the assembly chief stating that the crew of car 88 had started to refuel car 88 in the assembly area. The crew were not dressed correctly and no fire cover was present.

Assembly marshals requested that the crew cease refuelling activity but were ignored and refuelling continued.

As well as the breach of Ch.6 App.1 Art.2.4 for failure to obey the instructions of officials, there was no extinguisher present (Ch.12 App.11 Art.2.5), the crew were not dressed correctly (Ch.12 App.11 Art.2.6) and the driver did not vacate the vehicle (Ch.12 App.11 Art.2.3).

The driver remains responsible for their crew (Ch.6 App.1 Art.1.4).

The seriousness of the situation was explained to the driver and they were reminded that they are responsible for their crew.

The driver of car 88 was fined £100 which attracts 3 penalty points, and was reminded that they have the right to appeal to the stewards of the meeting.
