Brief Details:

Cars 17 and 36 made contact at Folly corner. Car 36 made a poor start and was swamped on all sides by faster cars.

Car 36 is in front and has track position and starts to turn into the corner. Car 17 is attempting a potentially optimistic move up the inside of Car 36 into a gap that disappears as Car 36 takes their line.

Video footage was viewed from both 17 and 36 as well as from 78 providing a following view.

Both drivers could have given more racing room in the opening moments of a race to avoid a first corner incident.

Neither driver is found to be predominantly at fault for the contact.

Both drivers were reminded of their right to appeal this decision.
