A dedicated Austin Healey race will feature at Castle Combe's Autumn Classic on September 12/13th with the event promoted as the Ian Cox Memorial Trophy , in memory of the Healey 3000 racer who passed away in 2024.

As promoter Derek Burles said: 'We already have entries in each of the 3 classes – 3000s, 100s and Sprites – and Castle Combe provides the perfect venue for those who both race and enjoy the spectacle of these iconic and popular cars'.

Details of the race and hospitality, together with entry forms, are available from derek@redworth-products.com
